

NEW REACTION™
SWING ARM MOUNTS

CUSTOM & UNIVERSAL MOUNTING FOR FLAT PANEL SCREENS

**REACTION™ Series –
A New Revolution in
Swing Arm Mounts**

(26"–65" screens)

View large and medium flat panel screens from any angle with the new REACTION™ Series Swing Arm Wall Mounts from Chief (patent pending).

This line of custom mounting solutions offers unmatched functionality with a sleek look. These mounts provide maximum extension while remaining low profile when latched in the home position! REACTION Series Mounts include all of the standard features you can expect from Chief, plus several new exclusive features developed specifically for this series.

FASTER INSTALLATION

- **Mounting Guide System**
– Simplifies installation by allowing the mount to be hung on two lag bolts
– Allows single-person installation
- **Q-Latch™ Mounting System**
– Provides quick screen connect and disconnect
– Portrait/landscape capability
– Integrated Security
– Compatible with multiple accessories
- **Integrated Lateral Shift**
– Provides up to 4-1/2" of shift left or right of 16" centers
– MWH provides 1-1/2" left/right shift off a single stud
- **Post-Installation Height Adjustment***
Offers ultimate flexibility.
*Available on PDR and PNR only.
- **CableTrac™ System**
Channeled cable management provides quick and easy routing of cables.

PROVEN QUALITY

- **Solid Construction**
Designed with cast and steel components for unmatched strength.
- **Rigorously Tested**
Every mount undergoes a series of tests to ensure a safe and secure installation.
- **Proven Track Record**
Chief has been a leader in innovative mounting solutions for over 26 years.

SUPERIOR SERVICE

- **Expert Customer Service**
– Knowledgeable support from experienced industry professionals
– Order tracking to technical issues in one phone call!
- **On-Time Delivery**
Most products ship within 24 hours.
- **Multiple Ordering Options**
– Custom solution for a fast install
– Universal solution for stocking
– Wall mount without interface for pre-installation
